## FILM & TELEVISION DIRECTION

---

### Love & Plutonium

[www.LoveAndPlutonium.com](http://www.LoveAndPlutonium.com)

A superhero romantic comedy about not-so-super heroes and villains who must learn to rely on each other for love and their livelihoods.

### Arbor Daze

[www.ArborDaze.com](http://www.ArborDaze.com)

The first horror movie to combine comedy and politically incorrect nutritional information, it takes a humorous, yet deadly, look at the environment, polluters, health food and mercury.

### The Loose Change Show

[www.LooseChange.tv](http://www.LooseChange.tv)

A half hour television sketch comedy show, with 90+ episodes produced since 1996. Aired on World's Weirdest TV (SkyOne-UK), cable systems across the USA, and the internet.
